

PROCESSED PRODUCTS

Jaggery Products

Name of the Institute	Brief Description	Photographs
KVK, Piprakothi, East Champan ICAR- ATARI Patna	There comes the quintessential need for production and processing of jaggery in scientific manner so that it gives maximum returns. This technology derived from IISR-Lucknow was needed to be disseminated to the farmers, which was achieved through training of the Farmers Producers Company and production of processed and packaged jaggery. The FPOs formed by KVK Piprakothi were trained for production, processing and packaging of Barfi shaped Jaggery. Moreover, flavoured jaggery is also produced and marketed by the FPOs as 1.Ginger Flavoured Jaggery 2.Fennel Flavoured Jaggery 3.Giloy Flavoured Jaggery 4.Dry Fruits Flavoured Jaggery 5.Barfi shaped Plain Jaggery The FPOs associated with sustainable production of processed Jaggery were trained and mobilized through continuous technological trainings. Piprakothi Agro Producer Company is now a leading FPO in production of Processed jaggery.
